THE LUXE ALLIANCE · PRIVATE JETS

Decision-ready buyers. Sent to you.

ARPP LLC dba Sabur Private Wealth Management, a state-registered investment adviser in New Jersey. Registration does not imply a certain level of skill or training. Educational only; not individualized advice.

Where deals stall: the Standard Playbook.

What most CPAs, tax attorneys and financial advisors tell your buyer:

> **“Put the flights on the company.”**

- **Personal and entertainment flights**
- **Every flight needs a business purpose**
- **The audit bill**

Personal flights don't qualify, and a lost audit means tax, penalty and interest. Many buyers hold off.

Sabur PWM vs. the Standard Playbook: your buyer's own tax dollars go to work.

Example: married couple, $1,000,000 taxable income, 25-hour light-jet card. Every kind of income counts: W-2, 1099 or K-1.

W-2 earners too: most are told there's nothing for them. With Sabur PWM, there is.

Income programs carry risk, including loss of principal, and payments can be reduced or not paid. Results depend on each buyer's facts. Illustration only.

How buyers reach you.

1

We advertise

Sabur PWM promotes the Luxe Alliance in private jets media, events and our Private Jets page.

2

Buyer runs the numbers

ZIP code, the item, a budget and how they plan to pay: cash, finance or lease.

3

Buyer chooses

We show matching partner inventory. The buyer picks. Results are never ranked by who pays.

4

You get the hand-off

With the buyer's consent: name, contact, item, timing, down payment, price range and a one-page deal sheet.

You never receive the buyer's tax return, income or investment details.

Professional use only. For prospective Luxe Alliance partners; not for distribution to buyers.

- ✓ Has told us how they plan to pay: cash, finance or lease
- ✓ Has a timeline and a price range
- ✓ Chose to be introduced to your company

You sell, quote and negotiate. Sabur PWM never does.
